A Safeguard.

The fata, rapidity with which slight Colds and coughs frequently develop into the gravest mandless of the threat and langs, is a consideration which should impel every prudent person to keep at hand, as a household remedy, a bottle of AYER'S CHERRY PECTORAL.

Nothing else gives such immediate relief The same opinion is expressed by the veil-known Dr. L. J. Addison, of Chicago,

AYER'S Cherry Pectoral

dence, but a medicine which is to-day saving the lives of the third generation who have come into being since it was first offered to the public.

There is not a household in which this invaluable ramedy has once been introduced where its use has ever been abundaned, and there is not a person who has ever given it a proper trial for any throat or lung disease susceptible of cure, who has not been made weell by it. AYER'S CHERRY PECTORAL cas. AYER'S CHERRY PECTORAL cas, in numberless instances, cured obstinate cases of chronic Bronchittis, Larnygittis, said even sente Pneumonia, and has saved many patients in the carlier stages of Pulmonary Consumption. It is a medicine that only requires to be taken in small doses, is picasant to the taste, and is meeted in every house where there are children, as there is nothing so good as AYER'S CHERRY PECTORAL for treatment of Croup and Whooping Cough.

These are all plain facts, which can be These are all plain facts, which can be verified by anybody, and should be remembered by everybody.

MONOMANIA

These affections have become very annother and grievous, and if not relived are apt to end in a more abnormal condition of the brain, producing fault quarries, directions, acc institute, denials, etc., between man and wife, lover and sweetheart. They should all be treated as carry as possible, and the most speedy and certain rumed; is the use of B B. B., which produces an inmediate transformation through the blood, the effects of which are felt and acknowledged before using one bottle.

The patients are all easily aroused on certain subjects, and although ridiculous in the extreme, cannot be convinced of their error. One party may presume that the whole human family are afficied with "mineral poion," while yet another may argue that "potasa mixtures" are poison, ing the blood of the nation, and that revelation from the Almighty placed him in a special position to offer the only antidete, while all else are frauds. These conditions emanate from those of honest and pure motives, but are powerless throw off the shackles which bind them. The friends and relatives of all such should urgather the use B. B. B. and be cured, before more serious results occur, leading to insanit the actual and positive action of B. B. B. is such nature as to convince any one of the unparalleled power it has over all blood poisons, sent ulous sores, swellings and taints, kidney a rheumatic affactions, catarrh, letter, chronic cors and sores, etc. All these actounding on a proven by docours, bankers, preschers, may are proven by docours.
